You will have to tell the Spanish people (where we are from) how to patch the TomTom map to work with Navionics, though. But I highly recommend this map, even if you can't use the Navionics ones. You can just use the TomTom one that comes with the NAVIOS II Navigator phone and transfer the map to your phone. I highly recommend it. If you don't have a NAVIOS II Navigator phone, then you can go on www.navios-ii.com and they will sell you one for \$30 US. My 3da54e8ca3
