VLC is a free and open source media player that plays most multimedia files, including DVDs, VCDs, and various audio and video formats.. Shyhan Follow Expert5 System Requirements: · 1GHz or higher speed processorÂ. 256MB RAM (if Windows is installed withÂ. When we think of wars, women are usually the forgotten half of the soldier equation. The men go off to fight in the name of country and they do what they can to secure their place in the history books. The women often receive their fair share of attention for their role in raising the morale of the men in the military. But, for some this women in uniform make their lives even more difficult. 10 Fiona Fraser Photo credit: AFP/Getty Images As a commanding officer of a female infantry unit, Fiona was commissioned as a lieutenant in the 16th/5 Infantry Regiment in 1997. After leaving the military, she became a history teacher, and is now writing a book about her experiences in the war. As a commanding officer of a female infantry unit, Fiona was commissioned as a lieutenant in the 16th/5 Infantry Regiment in 1997. After leaving the military, she became a history teacher, and is now writing a book about her experiences in the war. 9 Tara Sobol Photo credit: Times of India/Reuters Tara Sobol has not only been commissioned as a Marine in the Marines, but she is also an active Marine combat correspondent. Although she has not been in any combat situations herself, she does travel with troops that have.
